

● FAST Club

Seeks participants!

For September 2009, and January 2010!

The

& the

Fraser Valley
Child Development Centre

have jointly created **FAST Club**, a *fun, interactive & challenging* after-school program designed for children who are diagnosed with **Fetal Alcohol Spectrum Disorder (FASD)**.

The 8-week long program is part of a research project with the goal of studying the effects of an **individualized, strength-based motor skills intervention** on the well-being of children with FASD.

Friends!

Free!

The program is FREE to all children aged 6-12 with FASD who wish to be involved. It takes place in **Abbotsford** at Jackson Elementary School.

If you are a parent, foster parent, or caregiver of a child with FASD and would like to know if FAST Club would be right for you, contact

Alison Pritchard Orr at 604-504-7441 (ext. 4755) alison.pritchardorr@ufv.ca

Or visit our website: www.ufv.ca/FASTClub

Start times will soon be announced. Transportation may also be available!

Call Now! Space is limited!
